About Me

I am Ibrahim, an 11th grade student from Bangladesh, a budding graphic and web designer. With a keen eye for aesthetics and a passion for digital artistry, I have mastered the craft of creating visually stunning websites and graphics. My creative journey holds immense potential, promising a dynamic future in design.

Professional Experience

Baraikhali Bazar, Srinagar, Munshiganj
2020 – 2022

- Collaborated with team members to manage daily store operations using MS Word for documentation and record keeping.
- Demonstrated proficiency in customer service by ensuring a positive shopping experience for patrons.
- Using HTML, CSS, and JavaScript skills to enhance the store's online presence, contributing to increased visibility and sales.
- Applied Photoshop skills to create visually appealing promotional materials, effectively enhancing marketing efforts.
- Integrated inventory management, using MS Office tools to track and maintain stock levels.
- Created and maintained filing system using MS Word for efficient organization of important documents.

Achievements

Redesigned store website using HTML, CSS, and JavaScript skills, resulting in 20% increase in online traffic and 15% increase in online sales.
